The matter was discussed at length and after the due deliberation and considering the inspection report placed before the Executive Committee, it was resolved that the grant of approval for the Academic Session 2023-2024 would not be in the interest of the pharmacy education. The Executive Committee took serious cognizance of the fact that the institution has failed to provide facilities as per statutory provisions of – Minimum Qualification for Teachers in Pharmacy Institutions Regulations, 2014 read with Education Regulations, 1991 / 2020 for the Diploma course in Pharmacy, which is subversive of academic discipline and prejudicial and detrimental to the pharmacy education. The Executive Committee was of the firm opinion that any indulgence and/or laxity granted to this institution would set a wrong precedent. The Executive Committee specifically and categorically noted the following defects: 1.Principal only consented for B. Pharm 2.Library Software not available. 3.Licensed plagiarisms Software not available 4.Smart classroom not available. 5.Model pharmacy not available 6.Triple door entering setup for aseptic room 7. 2/3 labs have to be improved. 8.Working table should be installed/constructed 9. Preparation Room need to be furnished. 10. Store Room need to be furnished.
